## Advocating For Dunkley At A Federal Level

In addition to our general policies that we are presenting, the voters of Dunkley also need local projects delivered on-time and on-budget.

Dunkley is a vibrant and growing community that requires targeted investment to enhance infrastructure, connectivity, and community well-being. My policy is committed to securing vital Federal and State funding to support council priorities that will shape a more liveable and inclusive region.

This list will continue to evolve as I continue to meet with members of our local community, and address the areas that they believe will shape this electorate to be the best in the country. I commit to working with community groups, local, state and federal government to find solutions to challenges that ensure a better Dunkley.

---

## Council Priorities Supported

### Nepean Boulevard Precinct Revitalisation

I will advocate that the Federal Government support the following key infrastructure projects along Nepean Boulevard.

- **Kananook Creek Park and Gateway Site**
- **Comfort Station Activation** - the improvements are vital to ensuring that Frankston attracts local visitors, as well as becoming an area for non-locals to visit and invest money into.
- **Median Greening Landscaping Improvements**
- **Road Safety - Overton Road Signalised Crossing and Intersection**
- **Waterfront Shared User Path Connection**
- **Southern Path Connection and Median Planting Bruce Park Pavilion Redevelopment**

### Bruce Park Pavilion Redevelopment

I will advocate that a sensible redevelopment of Bruce Park is undertaken. This may include the development of an inclusive multi-sport facility catering to tennis, AFL, cricket, and potentially netball at Bruce Park in Frankston.

## Enhancing Neighbourhoods

If elected, I will advocate to both State and federal Governments the need to support projects that enhance our neighbourhoods;

- **Baxter Trail**
- **Frankston-Dandenong Road Path**
- **Eel Race Road Path Upgrade**
- **Fletcher Road Path**

- **Baxter Park Recreation Reserve Trail**

### **Support for Vulnerable Community Members**

I will further advocate for additional funding across a number of projects targeted to support out most vulnerable people. These include but are not limited to;

- **Emergency Relief Funding**
- **Community Connections Pilot Extension.**

---

### **Our Commitment to Dunkley**

By championing these policies, I will ensure Dunkley continues to grow as a thriving, inclusive, and well-connected community. My plan prioritises local investment and infrastructure to build a better future for all residents.

I invite you to contact me to address further projects across the region!
